NEXT MONTH'S MEETING

Robson & Wright...

Next month we have the unique opportunity of seeing two of British Magic's biggest names combine to bring us an afternoon packed with magic, laughter, performance, business, stories and philosophy.

Former MML members Harry Robson and Matthew Wright will be sharing their knowledge, with nothing off limits: tales of success and failure blended with stories of magicians past and present.

Learn how to create, develop and market new effects and take a fresh look at competition magic from the point of view of both competitors and judges.

The pair will perform and analyse their greatest routines; why, when and where they work.

Matt, a triple FISM award winner, is the only magician to win all four major British close-up competitions.

His credentials also include being the owner and director of The Chamber of Secrets Magic Theatre in Spain and the creator of many highly acclaimed product releases. Mentored by Eugene Burger, he now passes on these teachings to today's young magic stars.

Referred to as the 'Godfather' of British magic, Harry has an unparalleled career as a working magician spanning more than three decades. His knowledge and know-how have helped to launch the careers of many of today's top working professionals. As part of the organising committee of the Blackpool Magic Convention, he has overseen the largest collection of magicians and magic dealers in the world and has been a FISM judge on several occasions.

So come along. You know it's a 'no-brainer' as they say these days.
