

# The Modern Mystic League's Magical Floating Dice

This clever dice illusion can be demonstrated using the background (as in **The Modern Mystic League's** logo above), or without.

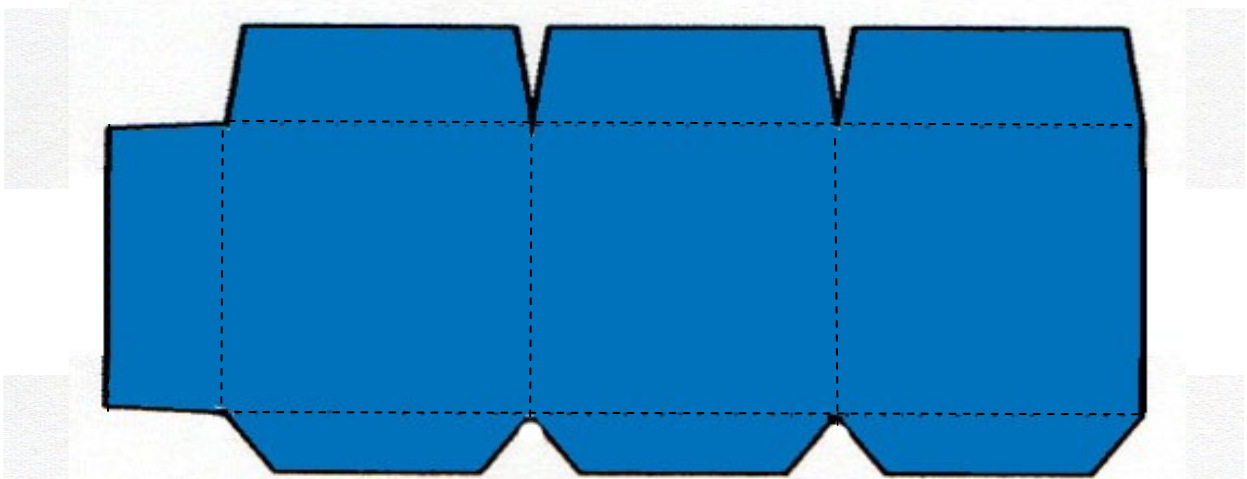

*See how it looks here :-*

Stick, or print the three pieces onto card before cutting them out.

**Cut, Fold and assemble like this.**

**Attach assembly to the background.**

**Put it on the wall like you would a picture and look at the model from the front, close one eye and move your head.**
